For many of us History has been associating as something boring, unnecessary and just useless. Why do we need to learn the events, happened hundreds of years ago, that don't even affect us? "How knowledge about all English monarchs can help me in life?" All of these statements can be easily understood. But the question remains clear: Does History really make no sense? Or we just didn't understand it!

Have you ever wondered, how to learn right? Just sitting in front of the books all day, trying to learn everything? And then in the morning you can't remember even one sentence? I think, it's familiar to you. Then we can help you!

I'm gloriously showing you the new History club, called "Unintellectual Gentelments". Here you will learn best remembering methods. Want to learn less and get good marks? Then you're welcomed. Everyone can join us! Everything is free, but in November we'll start taking money. Every Monday, Wednesday and Friday from 13:00 to 14:00! Best learning methods, History and board games at the end!

See you there!
